- CSS

EXPERIENCE

Intern at Art Division

2021-2022

Website building and maintenance internship in a United Kingdom based company. I have designed and built websites and was in charge of their maintenance:

- Used JavaScript and CSS to troubleshoot and fix various issues on multiple websites.
- Resolved customers' issues they were facing and assisted them with implementation.

Website Maintenance at Sapir College IPO

2019-2020

Worldwide website management, performance and usability enhancement:

- Designed and managed websites worldwide.
- Improved and maintained usability of sites.

IT Specialist At Sapir College

2018-2021

2.5 years of technical support to teachers students and executive staff. Implemented and trained customers with third party exam management system:

- Provided technical installation training and support.
- Conducted class lectures to teachers.
- Gave personal face to face guidance and remote support.

EDUCATION

BACHELOR OF SCIENCE

Computer Science | Sapir College
2019-2023
